MINISTER OF MINORITY AFFAIRS
GOVERNMENT OF INDIA

22nd October, 2021

MESSAGE

It gives me immense pleasure to know that the "Central Vigilance Commission" is organising "Vigilance Awareness Week" from 26th October to 1st November, 2021. The Central Vigilance Commission is fulfilling its role by continuing its consistent endeavour in eradicating corruption from public life making the system efficient, transparent and accountable.

Vigilance is an integral part of any organisation proving to be an important instrument in its performance. This includes promoting professionalism, promptness and ethical practices. Raising awareness on vigilance among all stake holders of the society through various activities is imperative. The theme chosen for this year 'Independence India @ 75: Self Reliance with Integrity' is appropriate as we celebrate 'Azadi ka Amrit Mahotsav'.

It is a moment of pleasure to convey my congratulations from the depth of my heart to your dedicated team and I hope it would continue its endeavour in future too.
