MESSAGE

I am happy to know that the Central Vigilance Commission is organising Vigilance Awareness week from 26th October-1st November, 2021, as part of its role as the apex agency responsible for eradicating corruption from public life. This year, the theme of the Vigilance Awareness Week has been aptly chosen as Independent India @75: Self Reliance with Integrity.

The Commission has been adopting different methods to achieve the aim of making the system efficient, transparent and accountable and it has adopted a multi-pronged approach by combining punitive, preventive and participative vigilance for combating corruption. As part of its efforts, it conducts a public campaign for promoting integrity, transparency and accountability in public life by organising Vigilance Awareness week every year.

Integrity is the quality of having strong ethical or moral principles and following them at all times, no matter who's watching. In this 75th year of our independence, let us all pledge and resolve at 75, that while we take our country on the path of success, we will do it by maintaining integrity in every field of life.

I hope that the deliberations during the Vigilance Awareness Week will strengthen our belief in the power of integrity in making our country self-reliant. I congratulate the CVC and wish it success in all its future endeavours.

Date: 20.10.2021
