Disclaimer

The information contained in this Bid Document or subsequently provided to Bidder(s), whether verbally or in documentary or any other form by or on behalf of the Security Printing and Minting Corporation Limited (hereafter referred as the "Purchaser") or any of its employees or associated agencies, is provided to Bidder(s) on the terms and conditions set out in this Bid Document and such other terms and conditions subject to which such information is provided.

This Bid Document is not an agreement and is neither an offer nor invitation by the Purchaser to the prospective Bidder(s) or any other party hereunder. The purpose of this Bid Document is to provide the Bidder(s) with information to assist them in the formulation of their proposal submission. This Bid document does not purport to contain all the information Bidder(s) may require. This Bid document may not be appropriate for all bidders, and it is not possible for the Purchaser to consider particular needs of each Bidder. Each Bidder should conduct its own investigation and analysis, and should check the accuracy, reliability, and completeness of the information in this document and obtain independent advice from appropriate sources.

Information provided in this Bid Document to the Bidder(s) is on a wide range of matters, some of which may depend upon interpretation of law. The information given is not intended to be an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. The Purchaser, its employees and other associated agencies accept no responsibility for the accuracy or otherwise for any interpretation or opinion on law expressed herein.

This Bid document and ensuing bids; communications and Contracts would alone determine the legal and commercial relationship between the bidders/ contractors and the Purchaser. No other Government or Purchaser's document/ guidelines/Manuals including its Procurement Manual (which are for internal and official use of its officers), have any locus standii in such a relationship. These documents/guidelines/ Manuals therefore should not be cited or referred in any legal or dispute resolution or grievance redressal proceedings.

The Purchaser, its employees and other associated agencies make no representation or warranty and shall have no liability to any person, including any Bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this Bid Document or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the Bid Document and any assessment, assumption, statement or information contained therein or deemed to form part of this Bid Document or arising in any way for participation in this Bid Stage.

The Purchaser, its employees and other associated agencies also accept no liability of any nature whether resulting from negligence or otherwise howsoever caused arising from reliance of any Bidder(s) upon the statements contained in this Bid Document.

The Purchaser may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this Bid Document.

The issue of this Bid Document does not imply that the Purchaser is bound to select Bidder(s) and the Purchaser reserves the right to reject all or any of the Bidders or Bids or to decide to drop the procurement process at any stage without assigning any reason.

The Bidder(s) shall bear all its costs associated with or relating to the preparation and submission of their Bids including but not limited to preparation, copying, postage, delivery fees, expenses associated with any submission of samples, demonstrations or presentations which may be required by the Purchaser or any other costs incurred in connection with or relating to their Bids. All such costs and expenses will remain with the Bidder(s) and the Purchaser shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a Bidder(s) in preparation or submission of the Bid, regardless of the conduct or outcome of the Bidding Process.

This disclaimer forms an integral part of the Bid document and shall supplement but not supplant the provision of the Bid Document.

Section VII: Technical Specifications

Following is the Scope of work for ARRESTING & STOPPING OF OIL LEAKAGES OF TRANSFORMERS at ISP, Nashik:

1. Arresting & Stopping Oil Leakages of 1000 KVA Transformer:

The brief scope of work is as below:-

- (a) The job work is on turnkey basis for arresting & stopping the oil leakages of the GEC make, 1000 KVA 11 KV/ 415 V Transformer No. 4 of Substation No. 1 (Power House).
- (b) Presently, it is observed from outside that the oil is leaking mainly from LV bushings/LV cable end box with minor leakages from HV bushing & oil drain valves.
- (c) The scope of work given below is indicative only & not exhaustive but shall also include all such unforeseen actions required essentially to arrest & stop completely the oil leakages from the various parts/subassemblies/accessories of the transformer.
- (d) Fulfilling of all safety requirements as per SOP of ISP's Safety Department for safe and accident free execution of the entire work and obtaining of work permit from Safety Department of ISP.
- (e) Keeping available all required tools & tackles for quick execution of the work and obtaining of power shutdown permission accordingly from ISP's Electrical Department.
- (f) Before starting the work, isolate the transformer from both the ends by taking proper power shutdown for safe working.
- (g) Finding out the oil leaking spots on the transformer & its assembly's viz. Main Tank, Top cover, Interconnecting pipes, Radiator, OLTC housing, HV & LV cable termination chambers, HV & LV bushings, Conservator tank, Oil level window, Buchholtz relay, Explosion vent, WTO & OTI sensor pockets etc. which are essentially required to stop the oil leakages.
- (h) Thorough cleaning and scrapping such spots so as to make them ready for required remedial actions.
- (i) Replacing of damaged oil seals, oil resistant cork gaskets, HV/LV bushings/bushing parts as required.
- (j) Replacing of gasket of oil level glass windows at main tank & OLTC tank with required painting/markings to oil level indicating windows.
- (k) Reassembling of all the dismantled parts/assemblies/accessories of the transformer.
- (l) Refilling of decanted oil to marked level after carrying testing of BDV of the oil. If the BDV values found below 50 KV it shall be filtered first before refilling.
- (m) Repairing of oil drain valve of Main Tank & OLTC tank to stop oil leakages or to replace these if found beyond repairs.
- (n) Submission of required test report in triplicate i.e. Oil BDV Test, IR Value Test, Oil & Winding Temperature Test and Transformer Voltage Ratio Test.
- (o) Re-commissioning of duly repaired transformer after carrying out mandatory testing.
- (p) To offer one year guarantee (to be applicable from date of completion and acceptance) of the materials and workmanship offered for completion of the work.

2. Arresting & Stopping Oil Leakages of 5000 KVA Transformer: The brief scope of work is as below:-

- (a) The job work is on turnkey basis for arresting & stopping the oil leakages of the GEC make, 5000 KVA, 33/11 KV Transformer No. 2 of 33 KV MRS Substation.
- (b) Presently, it is observed from outside that the oil is leaking mainly from breather assembly of the OLTC unit on HV side of the transformer with minor leakages from HV & LV bushing & temperature sensor pockets.
- (c) The scope of work given below is indicative only & not exhaustive but shall also include all such unforeseen actions required essentially to arrest & stop completely the oil leakages from the various parts/subassemblies/accessories of the transformer.
- (d) Fulfilling of all safety requirements as per SOP of ISP's Safety Department for safe and accident free execution of the entire work and obtaining of work permit from Safety Department of ISP.
- (e) Keeping available all required tools & tackles for quick execution of the work and obtaining of power shutdown permission accordingly from ISP's Electrical Department.
- (f) Before starting the work, isolate the transformer from both the ends by taking proper power shutdown for safe working.
- (g) Decanting the oil from main tank & OLTC unit of the transformer up to appropriate level to get access to attend the work of arresting & stopping the oil leakages.
- (h) Finding out the oil leaking spots on the transformer & its assembly's viz. Main Tank, Top cover, Interconnecting pipes, Radiator, OLTC housing, OLTC tank & breather, HV & LV cable termination

chambers, HV & LV bushings, Conservator tank, Oil level windows, Temperature gauge, Buchholtz relay, Explosion vent, WTO & OTI sensor pockets etc. which are essentially required to stop the oil leakages.

(i) Thorough cleaning and scrapping such spots so as to make them ready for required remedial actions.

(j) Replacing of damaged oil seals, oil resistant cork gaskets, HV/LV bushings/bushing and OLTC spare parts as required.

(k) Replacing of seals & gasket of oil level glass windows at main tank & OLTC tank with required painting/markings to oil level indicating windows.

(l) Reassembling of all the dismantled parts/assemblies/accessories of the transformer.

(m) Refilling of decanted oil to marked level after carrying testing of BDV of the oil. If the BDV values found below 50 KV it shall be filtered first before refilling.

(n) Repairing of oil drain valve of Main Tank & OLTC tank to stop oil leakages or to replace these if found beyond repairs.

(o) Submission of required test report in triplicate i.e. Oil BDV Test, IR Value Test, OLTC Operation Test, Oil & Winding Temperature Test and Transformer Voltage Ratio Test.

(p) Re-commissioning of duly repaired transformer after carrying out mandatory testing.

(q) To offer one year guarantee (to be applicable from date of completion and acceptance) of the materials and workmanship offered for completion of the work.

3. SITC of OLTC Barrier Plate for 5000KVA Transformer, if required: The brief scope of work is as below:-

(a) Supply, installation, testing & commissioning of OLTC Barrier Plate/Board with all required standard accessories/kit for GEC make, 5000 KVA, 33/11KV Transformer No. 2 at 33KV MRS purely on required basis.

(b) The execution of this service activity is on required basis hence can only be billed if executed after getting spot approval by the appropriate authority of user section. However, the bidders shall compulsorily quote the rate at this stage to avoid delay & restrictions/complications at later stage of actual requirement.

(c) The said requirement will be decided and approved for execution by appropriate authority of user section on opening of the OLTC unit of the transformer and if felt essential to stop the oil leakages while attending the work of Arresting & Stopping Oil Leakages of 5000 KVA Transformer.

(d) In case, it found essential to replace the barrier plate of OLTC then the scope of work will be on turnkey basis and all essentially required spares, consumables, hardware, tools & tackles, manpower and expertise etc will have to arrange by the successful bidder. ISP will only supply required transformer oil for level top up purpose or for replacement purpose if existing oil is found deteriorated.

(e) After execution of the work, successful bidder shall have to give satisfactory off load testing trials and on load testing of the OLTC unit from local as well as remote position through RTCC Panel of the corresponding transformer for all tap positions.

(f) Submission of required test report in triplicate i.e. Oil BDV Test, IR Value Test and Transformer Voltage Ratio Test.

(g) Re-commissioning of duly repaired OLTC unit and transformer after carrying out mandatory testing.

(h) To offer one year guarantee (to be applicable from date of completion and acceptance) of the materials and workmanship offered for completion of the work.

Special technical terms & conditions:-

1.The interested bidder must be holding valid electrical contractor license issued by the competent authority of the State/Central Government.

2.The service activity for proposed work at Sr. No. 1 i.e. Arresting & Stopping Oil Leakages of 1000 KVA Transformer is independent of another two service activities hence evaluated separately.

3.The, the service activities for proposed work at Sr. No. 2 & 3 i.e. Arresting & Stopping Oil Leakages of 5000 KVA Transformer and SITC of OLTC Barrier Plate for 5000KVA Transformer, if required, are dependent on each other since belong to same/one transformer and technically cannot be split up between different bidders hence evaluated together and overall lowest offer will be considered for awarding the work. Hence, the bidders must quote for both these service activities and partial offers are liable to reject as unresponsive.

5.The successful bidder will have to obey the safety & security norms of the ISP as instructed by the concerned authorities of ISP.

Tender Number: 6000017176

6. In case of any major/minor accident while execution & testing of the works entire responsibility will be of the bidder firm and they have to make up all the losses of any kind occurred out of such accident within quoted rate only.

7. The latest valid police verification report (PVR) of employees of the successful bidder will be required mandatorily for grant of entry permission & admit pass.

8. The working hours will be from 7.00 Hrs to 17.00 Hrs on all working days and the power shutdown permission, working permission on Sunday/Holiday will be as per convenience of the ISP. Hence the successful bidder will have to plan the work accordingly.

9. All required materials, manpower, tools & tackles will be brought by the successful bidder and ISP will issue electricity, water and transformer oil required for top up at free cost.

10. The work completion, acceptance & suitability report to release the payment will be initiated only if the performance of the completed works is found satisfactorily for 15 days.

* * * *

Note: Tenderer's attention is drawn to GIT clause 17 and GIT sub-clause 10.1.

The tenderer is to provide the required details, information, confirmations, etc accordingly, failing which it is tender is liable to be ignored. Prospective bidders shall comply with the feature specifications (including Warrantee Obligations) and submit a "Specification Compliance Certificate" with their Technical Bid.

SECURITY PRINTING AND MINTING
CORPORATION OF INDIA LIMITED.

Tender Number: 6000017176

Section VIII: Quality Control Requirements

The material / services supplied by the successful bidder will be accepted based on all parameters as per specification & scope of works as stated above. The purchaser reserves the right to reject the material / services in case the material / services is found not meeting the specification, the purchaser shall be entitled to cancel the contract, and if so desired, or purchase of the stores / services at the risk and cost of the contractor.

Section XV: Bank Guarantee Form for Performance Security

**PROFORMA OF BANK GUARANTEE FOR CONTRACT PERFORMANCE GUARANTEE BOND
(ON BANK'S LETTERHEAD WITH ADHESIVE STAMP)**

Ref Date

Bank Guarantee No

To,

(Insert Name & Address of the Purchaser)

Dear Sir,

1. Against contract vide Notification for Award of the Tender No dated covering supply of (hereinafter called the 'contract') entered into between the *(insert name of Purchaser)* (herein after called as the Purchaser) and M/s. (here in after called the 'Contractor'), this is to certify that, at the request of the Contractor, we *(name of the bank)*, are holding in trust in favour of the Purchaser, the amount of*(write the sum here in words)*, to indemnify and keep indemnified the Purchaser, against any loss or damage that may be caused to, or suffered by the Purchaser, by reason of any breach by the Contractor of any of the terms and conditions of the said contract and/or in the performance thereof. We agree that the decision of the Purchaser, whether any breach of any of the terms and conditions of the said contract and/or in the performance thereof has been committed by the Contractor; and the amount of loss or damage that has been caused or suffered by the Purchaser, shall be final and binding on us, and the amount of the said loss or damage shall be paid by us, forthwith on demand and without demur to the Purchaser.

2. We *(name of the bank)*, further agree that, the guarantee herein contained, shall remain in full force and effect, for sixty days after the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and the BUYER, including warranty period whichever is later, i.e. till, (hereinafter called the 'said date') and that if any claim accrues or arises against us *(name of the bank)*, by virtue of this guarantee before the said date, the same shall be enforceable against us *(name of the bank)*, notwithstanding the fact that the same is enforced within six months after the said date, provided that notice of any such claim has been given to us *(name of the bank)*, by the Purchaser, before the said date. Payment under this bond of guarantee shall be made promptly, upon our receipt of notice to that effect, from the Purchaser.

3. It is fully understood that this guarantee is effective from the date of the said contract and that we *(name of the bank)*, undertake not to revoke this guarantee during its currency, without the consent in writing of the Purchaser.

4. We undertake to pay to the Purchaser, any money so demanded, notwithstanding any dispute or disputes raised by the Contractor, in any suit or proceeding pending before any Court or Tribunal, relating thereto, our liability under this present, being absolute and unequivocal. The payments so made by us under this bond, shall be a valid discharge of our liability for payment thereunder, and the Contractor shall have no claim against us, for making such payments.

5. We..... *(name of the bank)*, further agree that the Purchaser shall have the fullest liberty, without affecting in any manner our obligations hereunder, to vary any of the terms and conditions of the said contract, or to extend time of performance by the Contractor, from time to time, or to postpone for any time or form, time to time, any of the powers exercisable by the Purchaser, against the said Contractor and to for bear or enforce any of the terms and conditions relating to the said contracts and we..... *(name of the bank)*, shall not be released from our liability under this guarantee, by reason of any such variation or extension being granted to the said Contractor, or for any forbearance and/or omission on the part of the Purchaser, or any indulgence by

Tender Number: 6000017176

the Purchaser towards the said Contractor, or by any other matter or thing whatsoever, which under the law relating to sureties, would, but for this provision, have the effect of so releasing us from our liability under this guarantee.

6. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor.
